

[illegible]

Technical drawing of a double-arched bridge. The drawing shows a side view of the bridge structure, which consists of two arches supported by a central pier. The dimensions are labeled as follows:

- E : Total height of the bridge structure.
- B : Total width of the bridge structure.
- D : Total height of the bridge structure, including the arches.
- d : Height of the central pier.

Zylindrische Bohrung
Cylindrical bore

Technical drawing of a rectangular plate with a central slot and two curved end pieces. The drawing includes dimension lines for width (B), height (D), and a central slot width (E). The end pieces are labeled K.

Kegelige Bohrung
Tapered bore
