

[illegible]

Technical drawing of a vertical rectangular component. The drawing shows a central slot and two curved internal features. Dimensions are labeled: E (total width), B (width of the top and bottom sections), D (total height), and C (height of the top and bottom sections).

Technical drawing of a two-piece female connector. The drawing shows two views: a top view and a side view. The top view is a rectangle with a central slot. The side view shows the profile of the connector, which is a rectangle with a central slot. Dimensions are indicated by arrows and labels: E is the width of the top view, K is the width of the side view, B is the width of the top view, D is the height of the side view, and C is the height of the top view.
